The simplicity and effectiveness of the innovative NEW TRIA LED Mini Downlight Set is captivating. It is available in black, white, or brushed aluminum; and in round or square form. Equipped with a powerful, warm white Premium LED in a pivotable mount, as well as an accompanying LED driver, the set can be used in any lighting situation. Connects to 230V electrical mains. An external 700mA driver (such as 464001) required for operation (dimmable).
